

CONSTRUCTION CONNECTORS

Product catalogue

2026

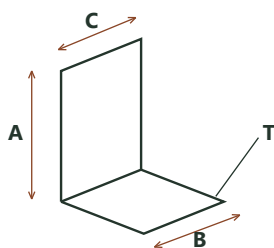

Our own production in Karstula, Finland.
Connectors for industry, contractors and trade.

Dimensions by product type

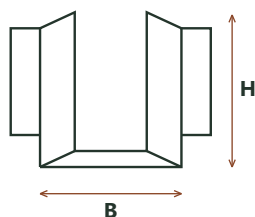

The M reference in each table identifies a dimension diagram below. Dimensions are in millimetres. T = thickness; D = diameter. Diagrams are not to scale and do not show hole patterns. Confirm the product shape and exact measuring points in its technical drawing. A dash in the M reference means that a dimension guide has not yet been confirmed.

M01

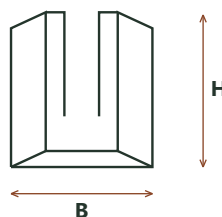

Angle bracket

M02

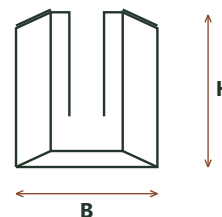

Joist hanger N

M03

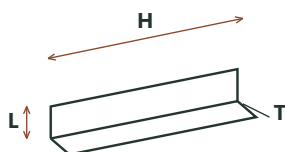

Joist hanger I

M04

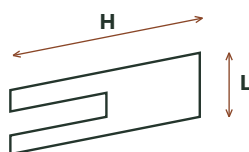

Joist hanger IL

M05

Concrete anchor strap

M06

Fork plate

M07

Splice plate

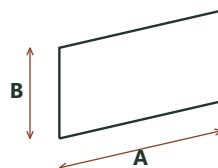

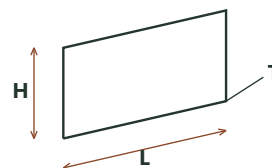

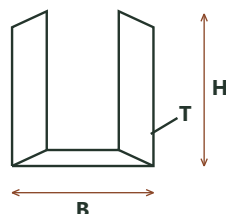

M08

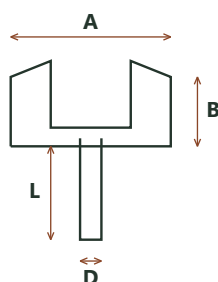

Plate product

M09

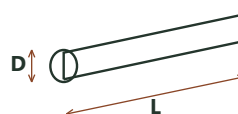

Board hanger

M10

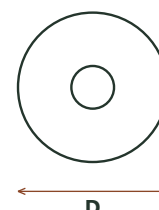

Post shoe D / DK

M11

Rod / dowel / tube

M12

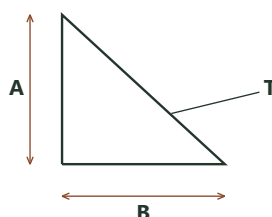

Bulldog connector

M13

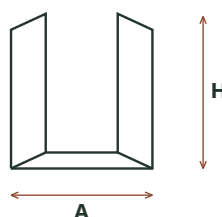

Perforated strip

M14

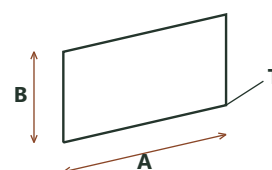

Angle brace

M15

U-shaped post shoe

M16

Adjustable support plate

Examples illustrate product types. Always check the dimension order in the table.
